

4. When Windows XP has found the required files, the screen below will be displayed while the files are being copied.

5. Windows should then display a message indicating that the installation was successful. Click Finish to complete the first part of the installation.

6. The Found New Hardware Wizard will launch automatically to install the COM port emulation drivers. As above, select "No, not at this time" from the options, then click Next to proceed.

7. Repeat steps 2 - 6 to install the COM port emulation drivers.
